

ZOGGS®

Horse Race

- You'll need a 'Zoodle' for this game, and someone to race against (though you can race against the clock!)
- Line up on the start line, sitting with your legs either side of the Zoodle holding on with 2 x hands.
- On the whistle, use your hands to paddle forwards – the first to the other side wins!

Note. The zoodle is not available online, but is available in all good stockists nationwide
